

## North Central College is national partner in the Billion Dollar Green Challenge

August 29, 2016

NAPERVILLE, Ill. -- North Central College has taken another important step in its ongoing efforts to create an environmentally sustainable campus for its faculty, staff, students and the future of the school.

This summer, North Central became a participating institution in the [Billion Dollar Green Challenge](#). The Challenge encourages colleges, universities and other nonprofit institutions to invest a combined total of \$1 billion in self-managed revolving funds that finance energy efficiency and other sustainability project improvements. To date, 62 institutions have joined the Challenge and North Central is one of only two in Illinois.
