

Associated Colleges of Illinois

ACI's 2018 Career and Internship Fair
presented in partnership with [Citi](#)

Friday, March 23, 2018
North Central College, Naperville
8 a.m. to 4:15 p.m.

"Studying philosophy taught me ... how to write really clearly. I learned how to follow an argument all the way down, which is invaluable in running meetings. And when I studied the history of science, I learned about the ways that everyone believes something is true ... until they realized that it wasn't true."

-- Stewart Butterfield, CEO and Co-Founder, Slack Technologies

From technology firms such as Slack Technologies to entertainment conglomerates, grocery enterprises and cosmetics companies, some of America's most successful organizations are or have been led by liberal arts graduates.

You can meet the critical thinkers and problem-solvers who will drive our future economy at the Associated Colleges of Illinois' first-ever Career and Internship Fair, Friday, March 23, 2018. The 65,000 students enrolled at ACI's 24 liberal arts-based colleges and universities are the promising prospects you need to reach today's goals and achieve success in the years to come.

ACI's Career and Internship Fair offers a full day of diverse opportunities to meet, observe, network and even interview prospective interns and full-time employees. The ACI Career and Internship Fair includes morning and afternoon employer "expos," where you can showcase your organization to prospects, a sit-down lunch shoulder-to-shoulder with students and career services professionals (sponsored by [TTX Company](#)) and a networking lounge for informal interaction with prospects. Premium partners can access private interview space and speak at skill-building workshops.

Choose from a variety of partnership opportunities offering a range of benefits commensurate with the level of investment. Review the reverse side of this page and select the opportunity that best meets your needs.

Act now to secure your opportunity to participate in ACI's 2018 Career Fair on Friday, March 23, 2018. To reserve your sponsorship or for more information contact Executive Director Mick Weltman at mweltman@acifund.org or call 312-263-2391, ext. 0523.

More information about ACI's 2018 Career and Internship Fair is at <https://acifund.org/career-and-internship-fair>.
