

Activity Support Intern – AID Aurora and Other Locations Summer & Fall 2021

Activity Support Interns will be working with our client populations who have developmental, physical, and/or behavioral challenges. The internship would provide learning opportunities in a variety of settings: classroom, vocational and community, which would include client program implementation, documentation, production, training and community employment. This position is perfect for students pursuing bachelor level education, disabilities studies, communication studies, rehabilitation services or human services careers.

Please apply online at:

<https://www.aidcares.org/internships/>

Resumes must be submitted with completed application.

Accepting applications until position is filled.

For more information, contact Maureen at 630-966-4020 or email mspradlin@aidcares.org
